Objectives

- Analyze the activities of your board
- Learn quick tips to operate effectively as a chapter board

Let's Play Bingo!

1. We will call out a letter and number. Check your board to see if you have that combination! Before you can mark off that square, you need to make sure your chapter achieves the action associated with that event.
 - For example: If we drew B2 – Every member of the board has a copy of the bylaws and is dedicated to upholding them.
 - You cannot mark B2 off your board unless every member of your chapter's board has a copy of the bylaws and is dedicated to upholding them.

2. If you are able to mark off **every square** on your board, shout “BINGO!” You will win a special prize.
3. Everyone should take away several tips as we play. We’ll give you time to take notes!
4. We’ll also periodically ask you to share how you’ve completed that item at your chapter.
